## **Ambassador Application**

Thank you for your interest in becoming an Ambassador for the Fountain Valley Schools Foundation.

The Foundation Ambassador program is designed to recognize, engage and honor the good will and energy of community members who care about supporting education and wish to be involved with our activities. Individuals may become an ambassador at any time and may stay on the active roster as long as they wish.

A complete list of Ambassadors is maintained by the Board Development committee and provides a way for us to inform Ambassadors of needs and opportunities to serve, as well as assist and celebrate the contributions of the Ambassadors.

Ambassadors who have completed the application process and been recognized by the Foundation Board then become eligible to apply for the position of Director on the Fountain Valley Schools Foundation Board of Directors.
